

SPECIAL NOTICE

May 17, 2017

To the residents and businesses of the Municipality of Campbell's Bay:

❖ **UPDATE - REPLACEMENT OF THE MAIN WATERLINE – FRONT STREET**

UPDATE - Phase 1B pertaining to the looping of this portion of Front Street under Stevenson's Creek is scheduled to start tomorrow **May 18, 2017**. The work is estimated to take 2 weeks.

Parking along Front St, from Ringrose St to Stevenson Creek, is temporarily not allowed during the project.

As part of the Gas Tax Transfer program, the project aims to maintain a high standard of quality water throughout the municipal distribution network.

During this period, there will be brief interruptions of water, boil water notices and traffic restrictions in this area. Access for pedestrians and access to buildings will be maintained throughout the construction period. We invite you to stay informed concerning these developments via public notices posted at the bulletin board situated at the Municipal Office and through the Campbell's Bay Facebook Page and website: www.campbellsbay.ca. All efforts to minimize noise caused by construction equipment are in place.

Despite all precautions, we apologize for any inconvenience this may cause you and we thank you for your co-operation.
